Attestation of original thesis work

Dr. Alejandro Enrique Dzul López

President of the Asociación Mexicana de Robótica e Industria, A.C. (2023-2026)

The undersigned, NAME, author of the thesis entitled "TITLE," hereby commits to submitting an original work of their own authorship, ensuring the absence of plagiarism and academic dishonesty in any of its parts. Likewise, I affirm that the same work has not been submitted to other competitions, and I absolve the Asociación Mexicana de Robótica e Industria A.C. (AMRob) of any responsibility.

I accept all the conditions established in the call issued by AMRob, and I am aware that, in case it is proven that the work has been submitted to other competitions, I will be subject to the corresponding sanctions under the current regulations, and I will permanently lose the right to participate in the AMRob Thesis Award Call.

Sincerely,
